

Will you be joining our Pricing & Procurement Team at Schiphol?

We are looking for an full-time enthusiastic and energetic **Pricing Coordinator** (with Pharm knowledge) for our Pricing & Procurement team.

The Job

In this role, you are responsible for handling all incoming rate requests and managing the entire process from start to finish. You will also prepare tenders and quotations (both standard and spot quotes) for existing clients, account owners, and your own network.

Your main focus will be on Pharma related tenders and quotations.

You will conduct price analyses using global and local pricing tools and provide recommendations on rates and price levels for daily RFQs and ad-hoc requests, in accordance with established policies and processes.

The team works closely with the Sales department to devise strategies that increase the success rate of quotations and further optimize the process

What do you offer?

- You are an experienced and proactive Pricing Coordinator with knowledge of Pharma freight forwarding (air freight)
- Vocational education (MBO+)
- Effective user of logistic IT systems
- Fluent in local language and English
- VGB and Air Cargo Employee certificate

More important: You can't wait to join us!

What do we offer?

- An ambitious place to work
- Opportunities for personal initiative, growth and development
- Base salary starting at € 3.732,12 gross per month, based on experience and knowledge
- Good secondary benefits, e.g. travel allowance and premium free pension

Apply

So, are you up for this challenge?

Send your CV and cover letter to: mascha.van-herpt@geodis.com and let us know why you are the right person to strengthen our Pricing & Procurement team!

A VGB screening and reference check are part of the procedure.
